ANYBODY'S RACE IN THE BIG CONTEST

An Open Field—a Fair Fight and No Favors. But the Time is Getting Short to Decide the Winners of the Valuable Prizes Which Will Be Given Away on July 17th. So Put Forth Your Best Efforts During the Few Remaining Days and Let Your Windup Be a Roundup of All Possible Subscriptions.

ANOTHER BIG VOTE OFFER

Is Now in Force and While Not Quite As Large as the Best Vote Offer Which Closed Yesterday, Will Nevertheless Make Your Votes On Subscriptions Count Up Very Rapidly.

At the present time it would be difficult to make even an intelligent guess at to the probable winner of the big prizes in the Interior Journal's Big Travel Tour and Prize Contest. The race is such an open one that anyone of the nominees in either district may be the winner of the Capital Prize at the close. Many different changes may be noted in the list between now and July 17th—the close of the contest. Some of those who are now at the top of the list may be at the bottom at the close and some of those who are at the bottom may be among the winners at the close. It is not at all unlikely that some new candidate entering in the next couple of weeks may pull down one of the best prizes. In a recent contest in another state, a contestant entered eight days before the campaign closed and won the biggest prize offered. So it is impossible to predict what victory will fall in this contest.

Another Big Vote Offer.

This week the contest manager announces another big vote offer which, while not as big as the Best Vote Offer which closed yesterday, will nevertheless make your votes on subscriptions count up very rapidly. Those candidates who found it impossible to get all their promises cashed in time to take advantage of the Biggest Offer should make every effort to score all possible subscriptions during the present big vote offer.

Makes a white knight can run from you on July 17th and let you know he is a roundup of all possible subscriptions. Be enthusiastic about your race and don't give up.

Stick to the finish and be a winner at all hazards. In a recent contest in West Virginia the subscriptions which one candidate secured in the very last day of the contest proved to be the subscriptions she needed to win the Capital Prize.

If she had stopped working even one or two days before that contest closed she would not now be the proud possessor of the splendid prize. But as it was, she kept working until the end and won the prize she most desired. So let all contestants in this contest remember that persistence is one of the winning qualities you need.

Time Enough to Win.

The next couple of weeks is enough time for any contestant with energy and determination to get a sufficient number of subscriptions to place her in the winning class before the close of the present big vote indifference. Those contestants who did not do the work they might have done during the last big vote offer can now make up for lost time and within a short time be up in the front ranks.

So far, no contestant has such a number of votes that she can feel safe. The race is yet to be won and those who make the most of the time available have the best chance to have their name appear on the list of the winners.

Contest Closes July 17th.

The Interior Journal's Big Travel Tour and Prize Contest will close Saturday, July 17th. But a short time remains to decide the winners of the handsome Leuhnd Piano, or the Tour to the Panama-Pacific International Exposition and other valuable prizes.

If there is any mistake in the count of any contestant's votes up to the present date, it must be called to the attention of the contest manager before next Thursday night. Otherwise the vote standing as published today must be taken as correct.

Until further notice contestants will be allowed to call in sufficient number of votes to place their standing 30,000 votes in advance of the leader of the preceding issue.

Big Vote Offer.

The schedule of votes given below will be in force between the dates of June 21st and Thursday night, July 1st at 9 o'clock. No better vote offer will be made at any future time during the contest so do not bid back subscriptions with the expectation of getting a bigger vote for if you do you will be greatly disappointed.

The young men of Lancaster gave a delightful dance on Wednesday evening at the Rex Auditorium. A goodly number of belles and beauties of Garrard stand for the things that he proclaimed to them in his speech.

A splendid organization is being per-

fected for him in Garrard.

The sentiments of the candidates, however, are setting themselves up that the people should not be given a vote upon the important issue.

Mr. McChesney is a champion of the amendment.

He has a good de-

livery, and makes a fine impression upon an audience.

He held the undivided attention of his hearers through his address, and at its conclusion was assured by scores that they will be found fighting hard for him when primary day rolls around.

Many who had been undecided, and some who had declared for the candidates, came out openly for him, asserting their belief that the good citizenship of Garrard stands for the things that he proclaimed to them in his speech.

A splendid organization is being per-

fected for him in Garrard.

The sentiment for the nomination and elec-

tion of this man is growing by leaps and bounds all over the state.

Reports from various sections of the state that the famous cave at the end of the state are that he will

get a tremendous vote and his friends

say that he is a sure winner.

He spoke at Bryantown Saturday night to another good crowd. About a dozen Lincoln democrats went over to hear him speak at Lancaster.

TO THE VOTERS OF LINCOLN COUNTY:

The following orders were entered by the Fiscal Court at its meeting on June 17:

"The Lincoln county Fiscal Court, regarding the condition of the various roads, and dirt roads in Lincoln county, and further realizing that the same are deteriorating and that it is essential to be substituted necessary to save both the piles and dirt roads, and further realizing that new piles are badly needed in certain parts of the county; therefore, on motion by Squire Fields, and seconded by Squire Petrey, which was duly made, seconded and carried, the said Fiscal Court makes the following recommendations:

The court earnestly endorses in movement for a bond issue of \$100,000, as an increased bond issue can in no event increase the county levy, as the levy is now at the limit, and the tax rate cannot be increased.

In the event said bond issue carries, this court would spend as much as \$35,000 of said money realized from the sale of the bonds, for the purpose of building the following new piles:

A pile from Crab Orchard to the Pulaski County line at Bee Lick, a distance of about ten miles;

An extension of the Boone Highway, to the Rockcastle County line, near Gum Sulphur, a distance of about three miles;

An extension of the Stanford and Somerset pile to the Pulaski county line, near Embanks, a distance of about three and one-half miles;

The completion of the Chappell's Gap pile, from the foot of Chappell's Gap to the Stanford and Somerset pile, near Carter's Store, a distance of about seven miles;

\$10,000 of the money so realized, for the purpose of reconstructing and resurfacing the present piles of the county, so that all of them may be placed in first class condition for public travel;

And \$15,000 of the money so realized, on the dirt roads of the county, would buy an engine and grader to be used exclusively on the dirt roads, would employ some one whose duty it would be to look after the dirt roads, and no others; said grader and engine to be run entirely on the dirt roads; but the court does not mean to discontinue the present method of working the dirt roads, but the work herein mentioned to be in addition to the other work.

In addition to the above money to be spent the court would respectfully submit, and expects subscriptions from the citizens who reside on the roads to be built, reconstructed, and graded.

The motion being put, all the magistrates voted for same.

On motion duly made, seconded and carried, it is ordered by the fiscal court of Lincoln county, that all obstructions, of every kind and description, on the various roads of the county, both in the ditches, or any part of the road, such as fences, bushes, culverts (when obstructing the water course), old wagons, wheelbarrows, etc., be moved at once, and the court will order a committee to prepare any notices that may be necessary, to carry this order into effect, and to issue warrants for the arrest of any person, or persons so offending, and he is further directed to prosecute any person, or persons who fail to so move obstructions.

Crab Orchard Springs Opening Ball.

The inclement weather of Friday night prevented many of the young people from Stanford and other points attending the opening ball at Crab Orchard Springs and as a consequence the crowd was small. Those present had a good time, however, and are loud in praise of the attention Miss Host J. H. Willis and his excellent wife paid them. Quite a crowd is gathering at the delightful old summing and health resort and rooms are being engaged by many guests for later in the season. The three big buildings have been renovated and brightened up since last year and the grounds are in the very pink of condition. A big crowd is expected when the weather gets warmer and provision is already being made to accommodate the hundreds who will gather there in July and August.

SOCIAL CALENDAR.

June 23—Mrs. J. C. Hays will entertain at 2:30 o'clock.

June 24—Dixie Rock Club will meet with Mrs. Harry Hill at 2:30 o'clock.

June 25—Baptist Ladies Aid Society will meet with Mrs. S. M. Sawyer at 4 o'clock.

An average of \$130 was made on thirty-eight head of Shorthorns at the first sale of the Southwestern Short-horn Breeders' Association at Shenandoah, Iowa.

Monte Fox, of Danville, bought 400 cattle from the Chapman Distilling Co., of Bullitt county. They weighed 1,140 and paid \$7.80. So for this year Mr. Fox purchased 4,000 fat cattle at prices ranging from \$7.25 to \$8.00.

An average of \$314 was made on forty-five Shorthorns at the sale of Maesdorm & Wheeler, Fairfield, Iowa. \$1,005 was the top price paid by Owen Kane, Wisner, Neb., for a ram daughter of "Proud Emblem," with a heifer calf at side by Proud Marshall.

Spare Fisher drove through town this morning 60 lambs and 16 ewes that T. W. Jones had bought of Tifford Alexander and Wm. Dunigan. The lambs averaged 82 pounds and were engaged some time ago. The ewes which were brought from Mr. Dunigan cost \$5 each.

J. W. Newman, State Commissioner of Agriculture, yesterday modified the quarantine against Jefferson, Bullitt and Oldham counties to the extent of placing them in the "restricted" area. Within thirty days, if there is no new outbreak, the quarantine will be removed from the State of Kentucky.

At Joseph, Mo., the sale of Herefords under the auspices of the American Hereford Breeders' Association, averaged \$311 on fifty-seven head. The top was \$2,000 for Bond Lad 4th, paid by Renick Bros., of Napoleon, Mo. Silver Donald was purchased at \$1,100 by the Clinton Falls Nursery Co., of Watertown, Minn.

A big turkey gobbler belonging to Bastin Wyrick, a farmer near Fairbourneville, has hatched out thirteen turkeys, this unusual stunt of the male turkey attracting much attention. A few weeks ago the gobbler showed a disposition to set and as an experiment Mr. Wyrick placed fifteen eggs in the nest. The gobbler remained faithfully at his post with the resultant hatching.

Miss Lottie Luckett, of Muhlenburg county, won the silver pitcher offered by the State Department of Agriculture to the girl making the best record in the canning club contest. She raised 4,567 pounds of tomatoes, 1,000 cans and glass jars, which she sold for \$272. Her total expense for the season was \$67.25, making the net profit of \$204.75, which is at the rate of \$2,647.70 the acre. The average net profit realized by members of the 1914 canning clubs was \$31.20 for a tenth of an acre.

Dr. Carpenter's Home Entered.
A burglar entered Dr. J. G. Carpenter's home the other night through a window that had been left open and went through the trousers belonging to the doctor and those of his son, Hubert C. Carpenter. Some \$15 in cash was overlooked by the scamp and the visit proved a fruitless one to him.

Pruitt Anderson, who has been attending school at Berea, has returned home for the summer.

Mrs. Richard Chandler, who has been at Richmond for medical treatment, has returned home much improved.

The Children's Day at Pine Grove was a complete success. The good women of this section deserve much credit for their untiring efforts in training the children. The children rendered their speeches, songs and essays in a masterly way, that it would be hard to say who did the best. But Ethel James and Rubie James deserve much praise. Mr. James Dishon gave two solo stirring addresses, one in the morning and one in the evening on the subject of "Training the Children for the Master's Cause and Vineyard." These addresses will be remembered by the parents of this section.

Mr. T. C. Manuel, who has been quite sick is somewhat improved at this writing.

She returned home confident that on the day in next October when she will be a round dozen years old, she will become a physically normal as well as a beautiful little girl.
